Students are expected to work a full 38-hour week and the internship is usually unpaid.

Students interested in following an internship programme should apply at least 3 months in advance of their preferred starting date and should indicate on their application form which sector or industry they are interested in working in. We will then do our best to find a position in a company working in each student's preferred field.

All students applying for an internship should send us a copy of their CV, together with a recent photo. Students also have to write a letter in English and/or Spanish explaining why they are interested in following this program.

Note: Placements for students who have a lower-level of Spanish can sometimes also be arranged. These placements will normally be in companies where English or another language is spoken as well as Spanish.
